

Teaching Innovation Showcase

**How Franken-Worms, Bracket Tournaments, AI, and More
are Shaping the Classroom of the Future**

Join us in supporting Kasey Grady of the College Writing Program as she presents *Marching into the Madness: Students VS ChatGPT* at this year's Arts & Sciences Teaching Innovation Showcase! You can expect:

- Fast, fun faculty talks about teaching innovation
- Free food and drinks
- Vote to award three \$1,000 prizes

Learn More

Thursday, October 22 | 4–5:30PM | Clark-Fox Forum | Hillman Hall

The Teaching Innovation Showcase is hosted by Arts & Sciences in collaboration with the Skandalaris Center for Interdisciplinary Innovation and Entrepreneurship.
